

*The Airport is a diverse community with special people, places and events that make the Guam International Airport an exciting and unique place to work and travel. See our top three picks of what you need to know, and get the latest news about GUAM's only commercial airport!*

## PEOPLE

Jeanette M. San Nicolas  
 45 Years of Service  
 & Recipient of  
 2024 Airport  
 Integrity Award

Jeanette M. San Nicolas has had an amazing career of 45 Years at the A.B. Won Pat International Airport Authority, Guam (GIAA). The Program Coordinator II, shown with her husband Jess San Nicolas, also won the Integrity of the Year Award at the GIAA's Tenant Appreciation and Employee Recognition Program Banquet.

## PLACES

Inside a  
 Boeing 777X

Boeing mechanical tech members of GIAA's Aircraft Rescue & Fire Fighting (ARFF) unit on a tour of the interior of their 777X aircraft on Jan. 26<sup>th</sup>. Airport firefighters welcome any and all opportunities to familiarize themselves with the various aircraft that fly the skies! More photos on pg. 3.

## EVENTS

Guam International Airport  
 CELEBRATES  
 48th  
 ANNIVERSARY

GIAA kicked off their 48th Anniversary with various sporting activities, a proclamation signing ceremony, a wave, a mass, culminating in a banquet to recognize partners and stellar employees.

The A. B. Won Pat International Airport Authority, Guam (GIAA) is a self-sustaining autonomous government agency, charged with the mission to ensure the safety and security of the traveling public, maintain superior and reliable level of airport services, and support the development of air services and facilities which are integral to the island's economic growth.

## GIAA Hosts Regional Cybersecurity Training

A top-notch cybersecurity team arrived on Guam at the beginning of the new year for a week-long series of training in Critical Infrastructure Cybersecurity at the A.B. Won Pat International Airport Authority, Guam (GIAA). The airport hosted partner airport participants from throughout the Asia Pacific region as well as those from local GovGuam departments and agencies and various branches of the U.S. military. The training, which was held January 8-12, 2024, touched on cybersecurity for control systems and industrial control systems. The airport cybersecurity training provided concepts for performing cybersecurity assessments of wireless access applications at airports. Participants learned techniques for identifying WiFi access points within an airport environment, analysis methods for determining wireless security gaps, and recommendations for improving defenses to defeat potential threats. Other special topics briefings touched on Operations Risk, Cybersecurity for Screening Equipment, and Workforce Development. All this training is in line with the Aviation Cyber Initiative (ACI), a multi-agency effort to identify and mitigate cyber risks within the nation's aviation ecosystem. The ACI is tri-chaired by the U.S. Departments of Homeland Security, Defense, and Transportation.

## Boeing 777X Stops on Guam

## UPS' Big Cargo Bird

UPS' 747 cargo plane made a visit to our airport on January 8<sup>th</sup> giving our ARFF and Operations crew another great opportunity to familiarize themselves with that specific aircraft. All these types of visits by different

aircraft allow our ARFF crews to expand their understanding of the various differences and similarities in aircraft types and configurations, which is critical knowledge should they have to respond to aircraft emergencies.

## USAF Aircraft at GIAA

A U.S. Air Force C-17 aircraft stopped briefly at Guam International Airport on Jan. 14<sup>th</sup> while Andersen Air Force Base airport was temporarily closed. Our Guam International Airport serves as a valuable alternate airport for military aircraft whenever the need arises.

## Guam's Pro Volleyball Team

Members of the Guam Pro Volleyball Team strike poses for photos at our very own Guam International Airport on January 8<sup>th</sup>. The all-female team was at the airport preparing for their departure the next day to Florida for a big competition!

## Airport Week(s) Events Celebrate 48<sup>th</sup> & Foster Comraderie

As the Antonio B. Won Pat International Airport Authority, Guam celebrated its milestone 48<sup>th</sup> Anniversary this month, a host of airport activities and sporting events between teams comprised of Airport employees in the various divisions competing with teams from our Airport tenants and vendors. What used to be a week of Airport events has extended to a couple weeks based on the types of sporting tournaments organized. This year's events kicked off with bowling tournament on January 15<sup>th</sup>. A FOD walk, where badged employees walk through the apron areas to pick up debris, was held on January 18<sup>th</sup>. On the 19<sup>th</sup>, Acting Governor Joshua Tenorio signed a proclamation

recognizing Airport Week and our 48<sup>th</sup> Anniversary and the 37<sup>th</sup> Guam Legislature presented GIAA with a resolution in the morning. The Airport family held a wave at the end of the workday and then attended a family mass at Santa Teresita church that evening. That weekend saw the one-day back-to-back basketball and softball tournaments which were held on January 20<sup>th</sup> and 21<sup>st</sup>, respectively. The golf tournament was held on April 23<sup>rd</sup> with a tenant appreciation and employee recognition banquet finale held the evening of January 26<sup>th</sup> to culminate all the celebrations around the Airport Week 2024. Happy 48<sup>th</sup> Anniversary GIAA!
